

## First Phase Childrens Academy Discipline Policy

### GOALS

The primary focus at First Phase Childrens Academy (FPCA) is on the academic success of every student. We seek to build within each child a love of learning, a sense of responsibility, self-discipline, a positive self-image, and respect for others. Students are expected to make positive behavior choices that promote their safety, the safety of others, and a productive learning environment.

### PHILOSOPHY

School discipline is a collaborative effort by the parents, guardians, students, and staff. The focus of the First Phase Childrens Academy Discipline Policy is to promote positive behavior choices by recognizing students who engage in consistent positive behavior. However, mistakes are a natural part of growth. We help students reflect on errors in judgment and behavior and support them in learning how to make better decisions. We teach and model positive behavior including listening, cooperation, and mutual respect. We encourage students to make independent decisions and act responsibly towards others and with property. When this occurs, we believe that a very positive and productive learning environment will result, enabling students to strive for excellence.

### STUDENT STANDARDS OF BEHAVIOR

In order to show respect, maintain safety, and focus on learning, I will:

1. Follow directions the first time. 2. Speak using polite language, volume, and tone. 3. Keep hands, feet, and objects to myself. 4. Be where I am supposed to be. 5. Take care of school property and personal belongings. 6. Walk quietly in the hallways so I do not disturb other classes.

### DISCIPLINARY ACTIONS

While most students consistently observe these standards and behave safely and appropriately, there are times when misbehavior warrants intervention and consequences. Teachers and other staff use a variety of classroom and behavior management strategies to address such behavior. When these strategies are not successful in changing that behavior and/or serious incidents occur, it is necessary for additional action to be taken. The following pages outline those disciplinary actions.

Please Note: Careful consideration is given to individual situations, so that the school's response to the student is appropriate. Consequences may be increased in cases of repeat offenses. Suspensions will be considered when behavior is disruptive and detrimental to the operation of the school.
